MEMORANDUM FOR DR. McLUCAS Dr. McLucas has seen.

SUBJECT: Meeting with the PFIAB

Mr. Gerard Burke, Executive Secretary of the PFIAB, called to ask if you could meet with the Board at their scheduled meeting on Friday, August 4. He has very tentatively set aside an hour, starting at 1400.

The Board desires a discussion of the status of the NRP. As Gerry explained it, this should include a status report on the major programs, program funding, and your views on the problems you foresee. The outcome of the July 19 ExCom is also of interest.

I propose that Colonel Bradburn an[redacted] present the programs and funding aspects [redacted], with time set aside for your remarks. We have reserved thirty minutes on your calendar at 1530 on Thursday, August 3, for a dry run of this briefing.
